Business Meets Community

A Corporate Volunteer Program

GIVE. ADVOCATE. VOLUNTEER.
LIVE UNITED™

NO COORDINATING. NO COSTS. JUST THE CHANCE TO MAKE A DIFFERENCE.

Let United Way connect your employees to their choice of dozens of volunteer opportunities that help individuals and families in our community. **Business Meets Community** makes it easy for small or large groups of employees to become engaged - and for your organization to have a visible, involved presence serving our community.

We have opportunities to match your employees' interests in:

Education

Read to children, help with homework, host a special event at a daycare center, teach a computer skills class, lead a youth workshop...

Income

Lead a financial literacy class for hard-working families, prepare taxes at a free tax-prep site, sponsor a free tax-prep site, organize a panel to speak about employment transition to job seekers...

Wellness

Assist with recreational activities at a senior center, coordinate donations made to a women's shelter, assist with childcare, facilitate parenting workshops, deliver meals to homebound seniors...

Days of Service

Team-based projects with hands-on activities such as painting, clean-up or landscaping. We will tailor projects to the unique needs of your company...

...just to name a few.

With United Way, your time will always make the most impact.

United Way creates opportunities for all by focusing on Education, Income and Wellness. These are the building blocks for a good life. Our goal is to create long-lasting changes that prevent problems before they happen. We invite you to be part of the change. We invite you to **LIVE UNITED.**

Volunteer as an organization

Choose your focus area. We'll match your organization's mission and values with opportunities for engagement and involvement that truly make a difference.

We'll help you mobilize small or large groups for volunteer involvement. You'll build teamwork and camaraderie while helping your community.

Learn more about the many ways that your organization can connect with the community through United Way's **Business Meets Community** program. Please contact Suzette O'Brien at suzette.obrien@uwbec.org or 716-887-2744 to learn more.
