United Way of Buffalo & Erie County Loaned Executive Program

Develop your leadership skills and build your professional network as part of the nationally-recognized **United Way Loaned Executive** program. Loaned Executives participate in a 12-week paid professional development experience designed to build your skills in teamwork, sales, customer service, and relationship management, while deepening your understanding of our community's most critical needs. 2020 brings a new path for these skills to be used in a virtual capacity.

As part of the Resource Development team, you will work closely with the team (all or mostly virtual) to develop your fundraising skills, provide support for campaign activities, and independently manage a select group of campaign accounts. Upon completion of the program, you will not only have strengthened your professional skills, but will also have made a difference for our community by raising much needed funds for programs and services.

Eligibility

- Able to participate for 12 weeks on a part-time basis, beginning late August.
- Self-motivated and results driven
- Ability to initiate and cultivate relationships
- Commitment to helping our community
- Knowledge of virtual communication technology (ie Zoom, Google meet/hangouts, etc)
- Access to a reliable computer, internet & phone
- Must attend 2 day virtual training on August 26th & 27th. Work hours will be flexible after training, 20 hours per week.
