WHY *United Way?*

When you give to United Way of Buffalo & Erie County, you're helping break a cycle of hardship that keeps 40% of families in Erie County from reaching financial stability.

It starts with making sure more pregnant people have transportation to prenatal visits and a doula to support their labor. Fueling student

success through targeted reading and math interventions and mental health supports. Helping working families keep more of what they earn through free tax preparation and providing asset building coaching to secure their financial future.

Your support of United Way is an investment in these solutions and more, across every stage of life. No other community partner has the reach of United Way, and there's never been a better time to be a part of this work.
