

COMMUNITY BABY SHOWER

UNITED WAY COMMUNITY BABY SHOWER MAY 8-JUNE 21, 2023

CHANGE DOESN'T JUST HAPPEN. IT'S CREATED WHEN WE CHOOSE TO IMPROVE THE LIVES OF BABIES AND PARENTS WHO NEED IT MOST.

Being a parent can be a challenge for anyone. It can be even more difficult for expectant parents who already struggle to make ends meet. You can welcome our newest community members and provide valuable encouragement and support to new moms by participating in this year's Community Baby Shower.

When you host a baby shower or collection, donate critical baby items or a virtual baby bundle or create welcome baby cards for new mothers, you are giving more families a good start—and that builds a stronger community for us all.
