

COMMUNITY BABY SHOWER

UNITED WAY COMMUNITY BABY SHOWER MARCH 1-MAY 20, 2024

Being a parent can be a challenge for anyone. It can be even more difficult for expectant parents who already struggle to make ends meet. You can welcome our newest community members and provide valuable encouragement and support to new moms by participating in this year's Community Baby Shower.

When you take part in the United Way Community Baby Shower, you are giving more families a good start — and that builds a stronger community for us all.

BRAND NEW ITEMS NEEDED MOST:

Baby Blankets • Baby Books • Baby Wipes • Breastmilk Storage Bags • Clothing (sizes NB-12 months) • Diapers
Digital Thermometers • Manual Breast Pump • Nursing Pads

Besides the items listed above, United Way accepts all donations of new baby items. All items support United Way's partners in maternal health.
