ADOPT-A-FAMILY PROGRAMS/HOLIDAY WISH LISTS 2022

THE WNY HOLIDAY PARTNERSHIP

United Way of Buffalo & Erie County is a proud partner in The WNY Holiday Partnership—a collaborative of toy giveaway programs for the December holidays. Working together, The WNY Holiday Partnership members create one network where everyone can come together, **without duplicate efforts and services**, so that we can all maximize impact to help brighten the holidays for needy families.

By bringing together partners from different areas, we can make the holidays brighter for thousands of our WNY neighbors. Please consider giving this year or pass on this information to a family you know who is in need. Last year The WNY Holiday Partnership collected and distributed toys/gifts to more than 8,529 children.

The WNY Holiday Partnership is a collaboration of 26 local nonprofits, The Buffalo News, Explore & More, Wegmans and the U.S. Marine Corps Reserve Toys for Tots Program.

ADOPT-A-FAMILY PROGRAMS AND HOLIDAY NEEDS WISH LISTS FOR COMMUNITY AGENCIES

1. BAKER VICTORY SERVICES

www.bakervictoryservices.org

Angel Tree

Children under the age of 18 asked to put their holiday wishes on the back of a cut out angel, along with the child's name, age, and gender. These children come from families with special needs, and without the generosity of donors, these children will likely not receive any holiday gifts at all. The children will provide gift ideas that the donor can purchase. The caregiver will wrap the gifts for the child. Then the gifts are delivered to the family/child by the caseworker before December 25. Baker Victory Services will pick the gifts up so you don't have to travel this year. This program will provide gifts to over 600 children.

Sponsor-a-Family

Sponsor-a-Family is for an entire family. Only the neediest families are chosen for this program. You may choose the size of the family you wish to sponsor by contacting Barb Farrow. These are families that do not have the means to adequately provide themselves with the simplest of life's necessities.

Giving Tree

Boys & Girls Clubs of Buffalo will make a paper giving tree for your company with the names of children and their holiday wish on a paper ornament. The holiday wish is valued at \$25 or less. Your employees pick an ornament off the tree, go shopping for the gift, wrap them and we will pick them up. The tree can consist of any number of ornaments. You are also given an Excel spreadsheet with all the gift information.

Adopt-a-Family

You can adopt a Club Members family and purchase needed gifts. Once you tell us the number of family members you would like to adopt, you will receive a completed profile that lists the name, age, gender and a wish list from each family member (need, read, want and wear). You then go shopping, wrap the presents and bring them to work on the designated day. We will make arrangements with you to pick up the gifts and deliver them to the family.

13. THE SALVATION ARMY

easternusa.salvationarmy.org/empire/buffalo/

During the holiday season each year, we serve over 1,200 local families in need by providing food, toys and clothing. Since 2020, the Buffalo community has been tested. The coronavirus pandemic has altered our way of life and, for many, has created long-term problems like loss of income. But The Salvation Army in Buffalo has continued to serve those in need; from our food pantries to our Christmas Assistance programs, we have never stopped helping those who need it most—remaining open during the pandemic and serving!

We are asking local businesses and organizations to help us this holiday season by hosting a toy collection for children infant–12 years of age or by sponsoring a family.

Host a traditional new toy collection at your place of business! We can provide collection bins and/or angel tags to aid in your collection efforts. Still working remotely? Gifts can be purchased through our Walmart Registry and delivered right to our 960 Main Street location. The time frame of your collection is up to you. We are suggesting November 1–December 9.

Host a virtual collection by emailing employees at home with local business links where they can purchase a toy from local partners; online, via phone or in person. This new touchless option is great for organizations where people are working from home and want to participate and help a child in need—making it so easy to donate this season. (The Salvation Army will do weekly pickups from three partners.)
