UNITED WAY OF BUFFALO & ERIE COUNTY

SERVICE-TO-GO

Handmade Greeting Cards Project

Create fun, heartfelt greeting cards for clients of our community partners. The individuals receiving these cards may not have anyone to celebrate holidays or special moments with, and a simple message can make a meaningful difference.

United Way's Greeting Card Project helps bring that sense of connection to indviduals across our community. With a few materials and your creativity, you can create meaningful cards that brighten someone's day and help them feel seen and valued.

Cards are shared year-round through community partners, reaching meal recipients, shelter residents, seniors, and teens- for birthdays, holidays, and special moments. Baby shower cards will also support families through our Community Baby Shower partners.

If you'd like, we can visit your team to share more about the impact of this project and the individuals it reaches.
